Sir,

Adverting to Government Proceedings No.J.2340-1/Police.45-11-6 dated 15-2-1912 sanctioning an allowance of Rs.3/- per mensem to the Daffedars undergoing training in Jui Juitsu and stating that the Government do not see any necessity to grant the allowance, recommended in this office letter No. 1689/188 dated 30-10-1911 to the trained officers and men who are appointed as instructors in the art of Jui Juitsu,I have the honor to state as follows:-

2. Government were pleased to sanction in Proceedings No.J.969-70/Police.45-11-4 dated 16-9-1911 a special allowance to the officers and men undergoing training in Jui Juitsu class at Mysore, according to their different grades in service, on the score of the expensiveness of the place in comparison with their permanent residence and also on account of the extra cost they have naturally to incur in providing themselves with a more nourishing kind of food, rendered indispensable by the extra physical strain they had

to

to undergo during their period of training. The same circumstances, and to much greater extent, prevail in the case of instructors here who have to go through all the courses with every one of the students individually to teach him the art, which is not only quite fatiguing but also attended with great personal risk and danger.

3. I have therefore to re-solicit the favourable consideration of Government for granting to the instructing officers the allowances already recommende
